

Kuhl's Maskray
Neotrygon kuhlii

Reef Octopus
Octopus sp.

Green Turtle
Chelonia mydas

Giant Trevally
Caranx ignobilis

Sedbar Wrasse
Thalassoma hardwicke

Crocodile Needlefish
Tylosurus crocodilus crocodilus

Crocodilefish
Cymbacephalus beauforti

Red and Black Anemonefish
Amphiprion melanopus

Leopard Coral Grouper
Plectropomus leopardus

Steephead Parrotfish
Chlorurus microrhinos

Blue Green Chromis
Chromis viridis

Moorish Idol
Zanclus cornutus

Giant Moray
Gymnothorax javanicus

Broadclub Cuttlefish
Sepia latimanus

Whitetip Reef Shark
Triaenodon obesus

Pennant Coralfish
Heniochus acuminatus

Emperor Angelfish
Pomacanthus imperator

Lined Butterflyfish
Chaetodon lineolatus

Map Puffer
Arothron mappa

Moontail Bullseye
Priacanthus hamrur

Young Harlequin Sweetlips
Plectorhynchus chaetodonoides

Reticulate Dascyllus
Dascyllus reticulatus

Eyestripe Surgeonfish
Acanthurus dussumieri

Feather Star
Comanthus parvicirrus

Kuni's Nudibranch
Goniobranchus kumiei

Whitley's Sergeant
Abudefduf whitleyi

White Spot Urchin
Parasalenia grifosa

Crown-of-thorns Starfish
Acanthaster planci

Red Mesh Starfish
Fromia monilis

Orange-spotted Nudibranch
Gymnodoris impudica

Harlequin Shrimp
Hymenocera picta

Turtleheaded Sea Snake
Emydocephalus annulatus

Fire Dartfish
Nemateleotris magnifica

Maxima Clam
Tridacna maxima

Mushroom Leather Coral
Sarcophyton sp.

Larger Star Coral
Favites abdita

Mushroom Coral
Fungia fungites

Yellow Scroll Coral
Turbinaria reniformis

New Caledonian Sea Krait
Laticauda saintgironsi

Soft Coral
Dendronephthya sp.

Stony Corals
Acropora sp.

Underwater trail animal species

Coral ecosystems are surprising environments!

Those around Duck Island offer biodiversity lovers a complete immersion in a fascinating world. Discover here an unsuspected universe, animated by numerous marine organisms from a few millimeters for some to several meters for others. Every corner of the Underwater Trail will be a source of encounters and wonder. Let yourself be captivated by its inhabitants, observe, listen and remember that this fragile balance deserves your protection.
